

United States Court of Appeals for the Federal Circuit

ORAL ARGUMENT ORDER

This appeal is scheduled for oral argument in the U.S. Court of Appeals for the Federal Circuit. For specifics relating to the time, date, and location of the argument please refer to the docket of your case. Unless otherwise directed by the court, argument time is 15 minutes per side. In cases with multiple like parties represented by different counsel from different firms, counsel should confer with each other before submitting their responses to the argument order since the 15 minutes argument time is shared among those parties. NOTE: In such cases, the Appellants and Cross-Appellants may divide argument between main argument and rebuttal, Appellees may not.

The appeal having been placed on the oral argument calendar, counsel need not submit the statement allowed by Fed. R. App. P. 34(a), setting forth the reasons why oral argument should be heard. Notwithstanding the scheduling for oral argument, the panel of judges that will decide the appeal, upon further consideration, may yet disallow oral argument, under the circumstances set forth in Fed. R. App. P. 34(a), and, if so, counsel will be duly notified by the clerk.

[Notice to Counsel on Oral Argument](#), [Courtroom Decorum](#), and the [Calendar Announcement](#) can be found under the Argument tab on the court's [website](#).

Counsel should complete the Response to Oral Argument Order event (located in the Calendar and Response/Reply categories) by the date indicated on the docket for your case.
